## SOLAR PROTECTION

### Key ingredients

**Avobenzone:** Provides protection against the UV rays that are responsible for premature skin ageing.

**Octinoxate & Ensulizole:** Screen and protect against the UV rays that cause skin burning.

**Sunflower Seed Oil:** Rich in Vitamin E a powerful anti-oxidant to help quench free radicals.

**Shea Butter:** Easily absorbed and nourishing to the skin providing lightweight emollience.

**Soya:** Offers skin conditioning and strengthening actions to nurture the skin layers.

**Hyaluronic Acid:** A potent humectant which binds moisture and aids with keeping the skin hydrated during sunlight exposure.

### Application

Apply liberally to the body prior to going outside and allow to absorb. Re-apply every 2 hours when exposed to direct or intense sunlight. Use caution when applying sunscreen to avoid the eye area. May be applied alone as a body moisturiser, layered over body moisturiser or mixed with body moisturiser\*.

\*When mixing with body moisturiser the level of SPF will be reduced.

### Pregnancy:

May be used during pregnancy. Please note, we recommend to consult with a GP or midwife before using any skincare product during pregnancy.

### Vegan friendly:

This product is deemed suitable to be used by vegans.
